Equal Opportunities Monitoring Form – Organisations

Arts Council of Wales is committed to making sure everyone in Wales has access to the arts.

You must answer all the questions below. We will use the data provided by all our grant applicants to help us make sure our funding is reaching a broad range of people and organisations.

We must also report on who our funding is reaching by each of the 'protected characteristics' covered by the Equality Act 2010 in our Annual Equality Report, to comply with the specific duties set out in the Equality Act 2010 (Statutory Duties (Wales) Regulations 2011).

Your answers in this section will not affect any decision on your grant application and will be used for monitoring purposes only. The form will not be shared with staff assessing your application
